

Privacy policy

Business Park Rotterdam The Hague Airport is owned by Schiphol Commercial B.V. ('SCBV'). SCBV is a 100% subsidiary of Schiphol Group, and it is involved in the development, investment, management, and operation of commercial real estate at and around airports that are part of the Schiphol Group.

At SCBV, we take the protection of your privacy seriously. In this privacy statement, we provide you with a transparent and accessible overview of how SCBV handles your personal data. [Here](#) you can read, among other things, which personal data we collect, how long we retain this data, and which rights you have.
